Review Land Trust Plan

Proposal – All in favor of amending budget

* It looks like we have \$62,048 allocated

Take out additional reading aide from budget. It appears that the cost of that additional aide \$25,000 was added to our budget and not incorporated into the budget.

PBIS School Wide Behavior Program

\$5,000 – Allocated to supplies & training

Salaried Employee

\$45,000 Science para-professional Mindy Holbrook

Treck-Rec

P.E. Aide runs at recess time. This has significantly improved school wide behavior.

* More data on this to come from the PBIS committee

* We would like to look into Play Works for our school

2016-2017 School Data

TSES Test Scores compared to PC District scores, and to our school's previous years' scores, in Dibels (Reading), and in SAGE (Math, Science, Reading & Writing) Assessment

* Discussion on opening testing window earlier for Galileo so that teachers can use the test results from Galileo to prepare students better for SAGE testing.

Motion passes to allocate \$2,000 to Reading Goal for Phonics Notebooks

Recess Temperature and Air Quality

"Feels like" 0 degrees – No outside recess

Red air quality – No outside recess

School Uniform

Motion is to reject school uniforms

· Friday Spirit Wear Day discussion can be continued but is more in the hands of PTO.

Agenda for next meeting

- 1.) Jacque will get a feel from teachers on issues we should look into.
- 2.) Tiffany mentioned visiting a Jeremy Ranch SCC meeting, and will look into how they fund their Play Works program.
