

**LETTER FROM THE  
PRINCIPAL  
WEEK OF AUGUST 30,  
2021**

Dear Families!

Our first week has come and gone, and I am loving Trailside more and more each day. I hope your year has started off with the same kind of feelings.

Our back-to-school night is this week (Tuesday, August 31st from 5-7 pm). You will be receiving a message from your child’s teacher about how to access their class during the back-to-school window. The content will be our curriculum and our classroom expectations. There will be about five minutes to ask and answer questions after the teacher presents. We hope you can attend!

We have a few more reminders to share. Please remember that we have a dress code at Trailside. The dress

code can be accessed on the Trailside website. If you have any questions about the dress code, let us know.

We love that so many students choose to bike to school. If you do, please remember to get off your bike on school property and walk it to a bike rack. We had a few near misses on the playground in our first week.

Refer to the following guidance documents:

[State of Utah K-12 School Recommendations](#) (August 3, 2021)

[Utah Department of Health Disease Plan](#) (August 3, 2021)

Masks are still strongly recommended. If we reach a threshold of cases (8 at Trailside), a mask mandate will be in effect as per the local health department. Please help us avoid this by wearing a mask!
